EXPERIENCE

Chief Financial Officer

DIV Holdings, LLC, Las Vegas, NV | Nov 2023 – Jul 2025

Premium Las Vegas retailer recognized for a luxury customer experience and operational excellence.

- Led finance and operations for a \$20M+ revenue business, overseeing budgeting, forecasting, payroll, and performance management for 140+ employees.
- Reduced operating expenses by 23% in year one, driving margin expansion through workforce optimization and vendor rationalization.
- Directed financial strategy, budgeting, reporting, and forecasting in a highly regulated environment.
- Built and deployed financial models and dashboards to inform strategic decisions and enhance profitability.
- Collaborated with CEO, COO, and Chief of Staff to produce investor materials, board presentations, and secure capital raising commitments.
- Led audits, tax strategy, and multi-jurisdiction compliance in a highly regulated environment, including inventory accounting under IRC 471(c).
- Negotiated vendor contracts, led insurance renewals, and strengthened banking relationships to mitigate risk.
- Directed FP&A efforts supporting market expansion and new business initiatives.
- Built and mentored a high-performing finance and accounting team, scaling systems and processes to support growth and cost discipline.

Vice President of Finance

Apparent Inc., Novato, CA | May 2018 – Jan 2023

Renewable energy technology firm with 50MW+ deployed and 92 patents.

- Managed \$25M+ annual budget and a \$300M+ project pipeline including project evaluation, financing, and sales.
- Built the company's first consolidated P&L and forecasting platform across 25+ entities, enabling executive visibility and scalable decision-making.
- Partnered with executive team to raise \$35M in Series B funding, leading financial diligence, modeling, and investor materials.
- Improved organizational structure and financial policies, enhancing internal controls and reducing costs.
- Directed implementation of company-wide accounting processes, payroll system transition, and benefits program overhaul.
- Delivered year-over-year 21% revenue growth by aligning strategy, operations, and analytics.
- Oversaw all tax credit programs (Federal ITC, CA SGIP, Hawaii grants), ensuring maximum incentive capture.

Director, Financial Planning & Analysis

Wargaming America, Emeryville, CA | Oct 2013 – Mar 2018

Free-to-play gaming firm with \$130M annual revenue.

- Led FP&A and business analytics teams (4 direct reports); introduced PO/accrual systems and upgraded financial infrastructure.
- Increased revenue from \$80M to \$130M and profit margins by 72% over four years.
- Managed \$45M annual marketing and operations budget; implemented controls to curb ad spending volatility.
- Played key role in evaluating \$25M Sony PlayStation deal and other major strategic partnerships.
- Supported 50% headcount growth by aligning resource planning with business objectives.
- Conducted financial modeling and ROI analysis for national advertising campaigns, including a \$6M Super Bowl commercial viewed by over 111M.

Finance Manager

2K Games, Novato, CA | Jul 2005 – Oct 2013

Global publisher with \$500M+ in revenue and 20 global offices.

- Key contributor to company's growth from startup to industry leader recognized by Metacritic.
- Managed \$300M+ in development and marketing budgets across 200+ titles.
- Built and led accounting and AP teams, creating systems for accurate global job costing and reporting.
- Delivered monthly financials and strategic recommendations to VP and executive leadership.
- Developed global accounting policies to standardize financial practices across international locations.
